Program Overview

Ready Steady Go Academy is Faridabad's largest premium multi-sport and exercise program for young children (aged 1.5-8). It is running successfully across Faridabad and Palwal, since 2019.

In an era increasingly dominated by screens and gadgets, we believe that integrating physical activity during the early years is critical for a child's holistic-physical, mental and social development. Our mission is to elevate the role of sports in childhood education by providing exposure to **12 distinct sports**.

- **Class Structure:** Our standard sessions run for 45–60 minutes (depending on age), dedicating one month to each sport. This allows us to focus on fun, engagement and the specific gross motor skills such as hand-eye or foot-eye coordination and balance required for that discipline.
- **Expert Guidance:** Our instructors are professionally trained not just to coach skills, but to mentor children on warm-ups, stretching, team building, leadership and the true spirit of sportsmanship.

AFL

Cricket

Rugby

Tee Ball

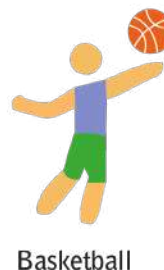

Soccer

Tennis

Athletics

Basketball

Golf

Hockey

Volleyball

Handball

The equipment is specifically designed for children aged 1.5 to 8 years to ensure safety and ease of use.

Our Core Objectives

Our goal is to create a structured, safe and inclusive environment that is free from the pressure of competition.

We aim to:

- Introduce children to a variety of (12) different sports.
- Demonstrate that physical activity is joyful and fun.
- Cultivate age-appropriate gross motor skills, body awareness and proper posture.
- Instil the habit of warming up and stretching to prevent injury.
- Foster teamwork and sportsmanship in every game.

Key Benefits of Participation

Curriculum Designed by Experts

Our program is developed by a team of Physiotherapists and Occupational Therapists to meet the specific developmental needs of each age group. We review and update the curriculum annually to align with the latest research.

Building Confidence & Competence

We focus on fine and gross motor skills to enhance hand-eye and foot-eye coordination, empowering children to tackle tasks independently with confidence.

Teamwork & Life Skills

Beyond games, we teach 'sportsmanship'—encouraging kids to share, take turns and play by the rules. The program also reinforces essential life skills like listening, concentration, following instructions and recognizing colours, numbers and shapes.

A Foundation for Healthy Living

By introducing sports early, we help shape lifelong attitudes, promoting a lasting love for exercise and healthy living. Graduates of our program leave with a solid knowledge base that prepares them for more rigorous sporting levels in the future.

Structured Age Groups

Our classes are segmented to ensure age-appropriate development:

The Get Ready Group (1.5–2.5 Years):

Focuses on socialization, play-based learning and initial gross motor skills.

The Ready Group (2.5-3.5 Years):

Concentrates on movement, balance, spatial awareness, cooperation and listening.

The Steady Group (3.5-5 Years):

Targets gross motor development, self-control, confidence, sharing and inclusion.

The Go Group (5-8 Years):

Emphasizes skill refinement, persistence, fair play and sportsmanship.

Educational Framework & Outcomes

Our methodology aligns with the Early Years Learning Framework, designed to support learning outcomes for children aged 1.5 to 8 years.

Strong Sense of Identity: We encourage independence by understanding physical capabilities and setting high expectations.

Connection to the World: We instil values of sharing, turn-taking and appreciating teammates.

Strong Sense of Well being: We celebrate every attempt and achievement to ensure every child feels pride and respect.

Confident Learners: We introduce novel experiences that encourage growth and curiosity.

Effective Communicators: We use chanting and singing to boost energy and respond actively to children's communication efforts.

Why Partner with Us?

A Proven Leader **Ready Steady Go Academy** is a recognized leader in early childhood sports development. Partnering with us keeps your institution a step ahead of other schools and childcare centres in the area.

Competitive Advantage Parents seek the best educational and co-curricular support for their children. Offering our unique, well-balanced health and fitness curriculum can be the deciding factor that sets your facility apart.

Economical & Hassle-Free We offer a cost-effective solution for a comprehensive sports program. You save on equipment costs and wages, as we provide all necessary gear and assign qualified instructors to your location.

Happier, Healthier Children Our shared goal is to nurture children into energetic, confident and socialized individuals. We are committed to working alongside you to ensure these positive outcomes.

Conclusion

Thank you for the opportunity to present Ready Steady Go Academy as an outsourced provider of sports and Fitness. We are confident that both your School/child care center/kindergarten and your students would greatly benefit from our program. We look forward to working with you. Should you have any additional questions or require further information on any matter, please don't hesitate to contact us directly.
